

**Council District One
Latest Update on Wildfires
As of 1:30 p.m. on Wednesday, October 24**

All areas in Council District One are now open, including:

- Black Mountain Ranch
- Santaluz
- Rancho Peñasquitos
- Torrey Highlands
- Carmel Valley
- Del Mar Highlands

Residents must show identification to re-enter.

The northern boundary of the repopulation limit is Rancho Bernardo Road.

Areas cleared for re-entry this morning:

Communities within these boundaries: West of Rancho Santa Fe Farms Road, North of State Route 56, East of Interstate 5 and South of the City limits.

A note for all residents:

The California System Operator has asked all residents to conserve power, due to downed power lines, and the threat posed to other transmission lines by the several fires still burning.

Please limit your use of appliances, and turn off lights if they are not needed.

Thank you for your help.
